

Garden Coach Program

Are you a beginning gardener and need help getting started? Perhaps you have a new home and need help addressing existing problem areas, or maybe you just want a fresh garden makeover. A visit with our Garden Coach will help take your gardening skills to the next level.

In-Store / Phone Consultation

\$50 for a 45 minute meeting, either in our store, over the phone, or virtually via FaceTime or Google Duo. \$30 each additional 30 minutes.

At-Home Consultation

\$150 for the first hour and \$65 for each subsequent 30-minute block, including travel time. Appointments are available within selected areas.

Your Garden Coach will ask the right questions to help you identify areas in your landscape ready for improvement, suggest new approaches to refresh outdoor living spaces, recommend the right plants for the right place, and provide planting and maintenance advice. Upon completion, you'll receive a voucher good for **20% off any full-priced plants or products**, which you can apply to your purchases for 30 days! **PLUS**, all Garden Coach clients will be enrolled in our **Grow Card program** that gets you cash off future retail purchases.

To make the most of your time, we suggest having:

- **A list of at least 3 garden goals.** A short, prioritized list of what you'd like to accomplish in your garden will help your Garden Coach zero in quickly on your most important needs.
- **Photos of your garden.** This will help to give a better idea of what you already have and what you'd like to change. Bring other photos, books, or magazines with plants, gardens or features you like. These help relate the plants and styles you love (and what you don't) to the Coach.
- **Your NHG Garden Planner.** Your Garden Coach will use it to make notes and plant lists, and you'll be able to keep it for review in the future as you move forward with your landscape improvements.
- **A plat of your property.** It's not required, but it is often very helpful to understand the scale of your house to the surrounding property, and may assist with planning dimensions.

With an **At-Home Consultation**, your Coach will walk your property with you— making notes on the property, the existing landscaping, and any maintenance needs or areas with issues to focus on. Afterward, they'll sit down to discuss ideas, make some recommendations and give guidance on putting these plans in action.

To make your appointment, Go to nhg.com, select *RESOURCES*, and *GARDEN COACH*. You can view bios and a calendar for each Coach along with available appointment times, then easily book and pay online.

*Please note: Our Garden Coach Program does not include garden design services. While your Garden Coach will make plant, layout, and product recommendations on your planner, we do not provide a full garden design. NHG has partnered with **Yardspell** to offer our customers premier landscaping services. Go to nhg.com, choose *RESOURCES*, and *YARDSPELL LANDSCAPING* for additional details and to book your custom consultation.*

Please, all appointments must be cancelled with 24 hours notice. Thank you.
